## FOR IMMEDIATE RELEASE

### **JODY LINICK OF LINICK CONSULTING BECOMES CERTIFIED QUICKBOOKS® PROADVISOR**

Linick Consulting Helps Small Businesses Get the Most Out of  
America's #1 Small Business Accounting and Business Management Software

**Alameda, CA – November 6, 2003** – Linick Consulting announced today that Jody Linick has passed Intuit's QuickBooks Certification coursework and become a Certified QuickBooks ProAdvisor. The official QuickBooks certification program tests in-depth knowledge of QuickBooks and its business management solutions.

To become a Certified QuickBooks ProAdvisor, Jody Linick, the owner of Linick Consulting, completed four rigorous, interactive self-study online courses and passed online tests with a minimum of 90 percent proficiency. The required coursework included Installation and User Set-up, Tools to Optimize Client Support, Payroll, Job Costing, Purchase orders and industry-specific issues. Jody Linick plans to complete annual update courses to maintain ongoing knowledge on the latest version of QuickBooks.

Jody Linick helps QuickBooks customers get the most out of the nation's best-selling small business accounting and management software. The services offered to QuickBooks users include:

- QuickBooks installation and set-up
- Training
- Technical support (via phone, on-site, or remote access)
- Write-up
- Monthly reviews of transactions and financial and operating ratios
- Interpretation of financial results
- QuickBooks online banking set-up and support
- Payroll set-up and monitoring
- General Consulting

### **About Linick Consulting**

Linick Consulting offers QuickBooks consulting and office organizational services to sole proprietors and small business owners, specializing in the building trades such as plumbers and electricians, working out in the field all day, who are too tired to work on their books at night.

### **About QuickBooks**

QuickBooks is America's best-selling small business accounting and management software. QuickBooks helps small businesses easily manage their accounting, payroll, invoicing, and customer contacts. Although QuickBooks is very popular for its ease of use, nearly 80 percent QuickBooks users regularly consult an accountant for set-up and expert advice.
